

## **Peer Review: Theory, Practice and Prospects in China**

Wenjing Wang Hong Xiaonan

Professor, Dalian University of Technology

### **Abstract**

Rapidness and conveniences, the characteristics of web application has already changed the life of human. But, the expanded of web application did cause the loss of human subjectivity in many ways. To rebuild human's subjectivity is the only way to lead a freedom and comprehensive development of human.

**Key word:** web application, subjectivity, loss
