

March 2023

Book publication with three KOIAS-essays.

The academic essay collection *Jinbungaku wo Tokihanatsu* („Unleash the Humanities“), edited by the Graduate School of Humanities of Kobe University, was published in March 2023 by the Kobe UP. This book includes a chapter for Atmospheric Studies with following three contributions. (Tentative English translation of each title in parentheses.)

Yuho HISAYAMA: Fun'iki-gaku Kotohajime (“Launching the Atmospheric Studies”).

Kantaro OHASHI: Fun'iki no Futatsu no Ryoiki (“Two aspects of Atmosphere”).

Satomi ABE: Chinden to shite no Fun'iki (“On Atmospheric Sedimentation”).
