

**The first SHIMADZU-KOIAS Lecture.
Workshop for the collaboration of Atmospheric Studies**

On 30th October 2023, the first SHIMADZU-KOIAS Lecture was held at the main office of Shimadzu corporation (Kyoto) in form of a workshop. Yuho Hisayama (KOIAS) and Tomoyo Arisawa (KOIAS) have introduced some aspects of the activities of KOIAS. A lively discussion took place for further collaboration of Atmospheric Studies.
