## First Preliminary Meeting for the Establishment of a New Society for Atmospheric Studies in Rome, Italy

The inaugural Pre-Meeting for the establishment of a New Society for Atmospheric Studies took place on August 6, 2024, at Tor Vergata University in Rome. The meeting included participants from several international institutions, such as:

- **Tonino Griffero** (Tor Vergata University, Italy)
- **Marco Tedeschini** (Tor Vergata University, Italy)
- **Sara Borriello** (Tor Vergata University, Italy)
- **Federico De Matteis** (University of L'Aquila, Italy)
- **Serena Massimo** (University of Parma, Italy)
- **Fabian Heubel** (Academia Sinica, Taiwan)
- **Lenart Škof** (ZRS Koper, Slovenia)
- **Alberto Parisi** (ZRS Koper, Slovenia)
- **Andreas Rauh** (Würzburg University, Germany)
- **Satomi Abe** (KOIAS, Kobe University, Japan)
- **Yukiko Kuwayama** (KOIAS, University of Tokyo, Japan)
- **Lorenzo Marinucci** (KOIAS, Tohoku University, Japan)
- **Yuho Hisayama** (KOIAS, Kobe University, Japan)

The Society plans to hold a biennial conference (called Biennale), starting in Kobe in 2026, then in Rome in 2028, and then rotating among partner institutions, through a hybrid format. Further details regarding the official name and plans for a journal or book series will be announced soon.
