On February 24, 2025, Yuho Hisayama (KOIAS) delivered a gallery talk at the Koriyama City Museum of Art in Fukushima Prefecture as part of the exhibition *Fun'iki no Tenji suru. Zoku* (*Exhibiting the Atmosphere, the Sequel*), curated by Eri Kawakami (KOIAS) and organized in collaboration with KOIAS. The exhibition, which began in January, will run through April 2025. Ayako Ikeno (KOIAS) also contributed to the exhibition.

We extend our gratitude to the Koriyama City Museum of Art for this valuable opportunity and look forward to future collaborations.
