15:00-16:30, June 11th (Wed), 2025

Student Hall, 1st Floor, Building A,
Graduate School of Humanities

On the Nature and Perception of Atmospheres

by **Alexandre Declos**

Postdoctoral Researcher, University of Neuchâtel (Switzerland)

Alexandre Declos, agrégé and Doctor of Philosophy, is a postdoctoral researcher at the University of Neuchâtel in Switzerland, where he is part of the SNSF-funded project “Towards a Social Ontology of Games.” Former assistant between 2018 and 2023 of Prof. Tiercelin, within the Metaphysics and Philosophy of Knowledge chair at The Collège de France, his research focuses on metaphysics, aesthetics, and the philosophy of games.
