KOIAS Talk by Thorsten Botz-Bornstein at Kobe University

On July 9, 2025, KOIAS hosted a talk by Thorsten Botz-Bornstein, Professor of Philosophy at the Gulf University (Kuwait), titled “**Toxic Atmospheres.**” Botz-Bornstein, a specialist in continental philosophy, aesthetics, and intercultural philosophy, explored the concept of “toxic atmospheres” from a comparative and philosophical perspective, engaging with aesthetic and intercultural dimensions.

KOIAS thanks Thorsten Botz-Bornstein for his stimulating lecture and looks forward to further collaboration and dialogue.
