## KOIAS Talk by Maximilian Müller at Kobe University

On September 24, 2025, KOIAS hosted a talk by KOIAS Fellow Maximilian Müller (PhD Candidate, Goethe University Frankfurt) titled *Atmospheres in Sport: A Neo-Phenomenological Approach*. The lecture introduced key perspectives from New Phenomenology and considered how they can illuminate the role of atmospheres in sporting environments, including emerging digital contexts. After the event, participants continued the discussion over drinks and dinner.
