KOIAS Fellows Meeting – Welcome Meeting for New KOIAS Fellows

The KOIAS Fellows Meeting on January 21, 2026, was held at Kobe University as a welcome meeting for the new KOIAS Fellows who began their research stays this week. The meeting took place in Room A422 of the Graduate School of Humanities and brought together KOIAS members for a moment of introduction and exchange.

During the session, the three new Fellows – Indrek Ojam (1 month), Hal Coase (2 months), and Mariaenrica Giannuzzi (6 months) – were introduced and briefly presented their research interests. All participants also shared their current research, creating an open and collegial atmosphere of dialogue. The meeting served as a first opportunity to foster connections and collaboration within the KOIAS community.
